++ Valid for broadcast between 1800 and 0600

Headline:
Dry tonight with a risk of fog under clear skies.

This Evening and Tonight:
A bright evening but feeling cool again. Good clear periods overnight, making for a chilly night under starry skies, but also bringing a risk of fog patches. Remaining dry throughout. Minimum temperature 11 deg C (52 deg F).

Saturday:
A bright and fine morning for many. Becoming cloudier from the east during the afternoon, with the best of any sunshine over Devon and Cornwall. Turning breezy overnight. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Largely dry with sunny spells on Sunday, although a few showers are still possible. Dry with some sunny spells on Monday, and then further sunshine on Tuesday. Turning warmer.
